

ONEIDA EDUCATION FOUNDATION

Annual Report

July 1, 2022-June 30, 2023

The purpose of the Oneida Education Foundation is to encourage business and community involvement in the schools in Oneida School District and to actively seek supplemental resources to assure
SUCCESS FOR EVERY STUDENT
enrolled in and physically attending the schools full time in Oneida School District.

The Oneida Education Foundation was established in 1988 to raise funds for Oneida County Schools. The OEF provides a channel by which individuals, families, businesses, and organizations may donate money to the schools and receive tax benefits as well as the satisfaction of having assisted Oneida County schools, teachers, and students. It is a nonprofit organization that functions independently of the Oneida School Board and District while cooperating with school officials to benefit teachers and students. The OEF operates under its own by-laws and elects its own board members and officers. Each school in the district has a representative on the board; the majority of board members are community representatives, all of whom serve as volunteers. The board meets monthly to plan and to conduct its grant-awarding and fund-raising projects.

*Grants from outside vendors do not always go through the OEF but often go directly to the schools, grade levels/curricular areas, or teachers. The requirements set by the grantor determine the grant recipient.

**Due to fees to the federal campaign of the United Way being assessed at a higher rate than the money the OEF was receiving from the United Way, the OEF dropped its membership in the United Way of Northern Utah. Employees in companies that participate in the United Way may still designate the OEF as the recipient for their donations, and the OEF will receive 100% of the designated amount.
