

# ONEIDA EDUCATION FOUNDATION

## Annual Report

July 1, 2023-June 30, 2024

*The purpose of the Oneida Education Foundation is to encourage business and community involvement in the brick-and-mortar schools in Oneida School District and to actively seek supplemental resources to assure*

**SUCCESS FOR EVERY STUDENT**

*enrolled in and physically attending the schools full time in Oneida School District.*

The Oneida Education Foundation was established in 1988 to raise funds for Oneida County Schools. The OEF provides a channel by which individuals, families, businesses, and organizations may donate money to the brick-and-mortar schools and receive tax benefits as well as the satisfaction of having assisted Oneida County schools, teachers, and students. It is a nonprofit organization that functions independently of the Oneida School Board and District while cooperating with school officials to benefit teachers and students. The OEF operates under its own by-laws and elects its own board members and officers. Each of the four brick-and-mortar schools in the district has a representative on the board; the majority of board members are community representatives, all of whom serve as volunteers. The board meets monthly to plan and to conduct its grant-awarding and fund-raising projects.
